

Dear _____,

My name is Travis McGee and I own a company called econoGreen. We sell a product called the Highway Glider which saves gas mileage on cars. The Highway Glider will save on average \$25 to \$60 dollars a year, and while that is a small number, it's a step in the right direction. We currently sell them for \$6.88 and give the customer a set of two and an extra deflector also. We were hoping that your foundation would like to sponsor one of the sets so that the customer only has to pay \$3.44. When they go to the purchase page it will say that your foundation is sponsoring one of the sets and we can put your logo on the page and a link to your website. We'd love to be able to work with you on getting this product out to the people. Please feel free to contact me with any questions or concerns, my number is 978-741-3800.

Sincerely,

Travis McGee
